**E-File Manicure and Color Application  
with Amore Educator Stephany Safronovich**

**When: Sunday, November 14, 2021**

Efile manicures sets your work apart from others and a way to advance your career. In this class you will learn how to properly prep your clients nails using the efile manicure. You will learn the difference between the eponychium and the cuticle.

We will then learn the best way to finish file to perfection and then apply your color for a seamless finish! This will not only help adhesion, but give a very clean polished look that your clients will appreciate!

Students will be required to bring:

- UV lamp
- Brushes for nail art and full color brush
- Wipes and Finish Wipe
- No wipe top coat and matte top coat
- Files and buffers
- Efile
- Football bit, fine grit
- Ball Bit, fine or medium
- Cuticle Nippers, small the better and pointy
- Cuticle Pusher
- Bonder/Base Gel
- Sculpt and Shine/Builder in a Bottle
- Gloss
- File
- Buffer
- Short Detail Brush

No Model Required, students will be working on themselves  
If you (student) have nails on, then they need some good regrowth. If you would like a blank slate, you can remove your nails before, but don't prep your cuticles.
